Love my world through me Lord Je - sus  
Change my world through me Lord Je - sus  
Win my world through me Lord Je - sus

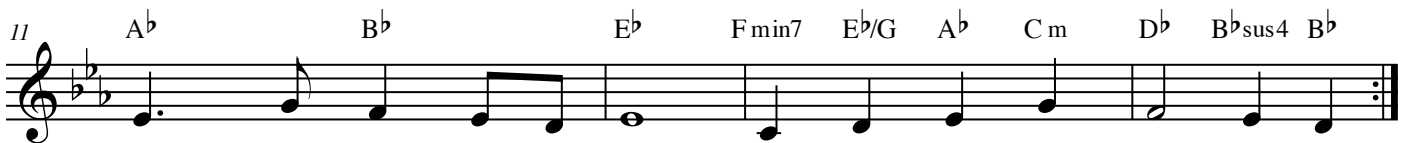

Both in word and deed As you've loved may  
Help me stand my ground Live in me as  
May I do my part Till the ones en -

I show love to those who are in need Love my  
I live out the truth that I have found Change my  
trust - ed me have giv - en you their heart Win my

world world through me, love my world Love my  
world world through me, change my world Change my  
world world through me, win my world Win my

world world through me, love my world  
world world through me, change my world  
world world through me, win my world
